The **National Citizen’s Inquiry (NCI)** is a citizen-led and citizen-funded initiative intended to hear from Canadians and experts and investigate governments’ COVID-19 policies in a fair and impartial manner. The **NCI’s purpose is to listen, to learn, and to recommend.** What went right? What went wrong? How can Canadians and our governments better react to national crises in the future in a manner that balances the interests of all members of our society?

La **Commission d’enquête nationale citoyenne (CeNC)** est une initiative dirigée et financée par des citoyens. La CeNC entendra le témoignage de Canadiens et d’experts, et examinera les politiques des gouvernements face à la COVID-19 de manière juste et impartiale. **La CeNC a pour objet d’écouter, d’apprendre et de proposer des recommandations** ; elle se propose en outre d’établir ce qui a bien fonctionné et ce qui n’a pas bien fonctionné, et de voir comment les Canadiens et nos gouvernements peuvent mieux faire en cas de crise nationale, et ce d’une façon qui tienne compte des intérêts de tous les membres de notre société.
